ART FOR EVERYONE

Call to Artists & fine crafts people

This September, Crossroads will be celebrating its 20th year of *Art at Crossroads Open Regional Show* and we need your help! We are seeking original custom made awards, designed by a local or regional artist, crafts person or creative company. The awards will be given to artists receiving recognition for their entries in *Art at Crossroads Open Regional Show* this year and all of the following years thereafter.

The winning artists design will receive \$100.

Crossroads is looking for an original design which can be 2D or 3D, in any medium, not limited to; wood, metal, ceramic, paper, glass, fabric, etc. which can be etched, engraved, painted or somehow lettered or marked in such a manner as to specify the year of the show, award type and perhaps include the Crossroads logo. Award types usually include a Best of Show, a First & Second Place 2D, a First & Second Place 3D, and a People's Choice Award. Crossroads will continue to purchase the chosen award design from the artist for all of the annual *Art at*

Crossroads Open Regional Shows in the future in an ongoing partnership.

We are looking for an award that is unique, one of a kind piece of artwork in its own right, one which the receiving artist will be thrilled to receive and happy to display for their achievement and recognition.

Project funded by The Ford Family Foundation Visual Arts Grant in support of our 20th Annual Art at Crossroads Open Regional Show.
